## PROVIDER MANUAL: RESIDENTIAL TREATMENT SERVICES PROVIDER RATES BULLETIN 2012-2

June 25, 2012

The following changes or additions are being made to the Provider Manual.

- 1) In Ch. 4: Behavioral Health, the Family Therapy definition is revised to stated (changes in bold):
  - a. Family Therapy – structured, goal-oriented therapy for families affected by physical abuse, sexual abuse, emotional abuse, or neglect and/or to address family or youth issues that resulted in the involvement of juvenile probation. This is paid by DCS at an hourly rate of \$63.90 after a Medicaid denial. **If the family therapy is conducted in the family homed by an agency other than a Community Mental Health Center, a Medicaid denial is not required. Instead, this would be billed as a non-Medicaid eligible behavioral health service pursuant to the residential service package and marked as such in Area 15 of the standard invoice.**
